

3rd network seminar for Focal Therapy for Prostate Cancer

You are invited to participate in this DCCC supported seminar about focal therapy for prostate cancer. The target group for participation is physicists, oncologists, urologists, pathologists, radiologists, and specialists in nuclear medicine with interest within prostate cancer.

The seminar is being held 27-28th of April 2023 at the beautiful Frederiksdal Sinatur Hotel and Conference located near Copenhagen. Registration is free, but there is a limitation of 20 participants. So do not hesitate to register.

Registration is done by sending an e-mail to the leader of the network Simon Buus at the Department of Oncology at Aarhus University Hospital, simbuu@rm.dk.

The deadline for registration is Monday the 10th of April 2023.

Venue

Frederiksdal Sinatur Hotel & Konference

Frederiksdalsvej 360

2800 Kgs. Lyngby
